Jefferson College Law Enforcement Academy (JCLEA) offers 12 months of continuing education (In-Service) training at a rate of $110 per person per year.

Training programs are typically scheduled at the Jefferson College – Imperial location or at other locations necessary to deliver specific training.

Our instructors are highly qualified and certified by the Missouri Department of Public Safety Peace Officer Standards and Training (P.O.S.T.) Commission or, in limited circumstances, noted experts in their specific field of instruction. Unless otherwise noted on training announcements, all classes provided will be approved for certification in keeping with the P.O.S.T.-mandated 48-hour continuing education requirement.

As a contractual member of the Jefferson College Law Enforcement Academy, you are entitled to all continuing education programs that we may offer, free of additional costs, on a seats available basis. You will have priority registration opportunities over non-contractual law enforcement agencies, provided you register prior to the registration deadline date identified on each training announcement.

Continuing education programs are designed to offer classes in each of the four core curricula areas mandated by P.O.S.T. in accordance with the 48-hour guidelines:

**Legal Studies**

**Interpersonal Perspectives**

**Technical Studies**

**Skill Development**

Also, as a contractual member of the JCLEA, you will be eligible to receive discounted rates on any ‘Special Programs’ that we may host for outside trainers/vendors during the 12 month period covered by this agreement. A ‘Special Program’ is described as an additional professional-enhancement training program that requires extraordinary Academy expenditure.

The JCLEA will be your agency’s P.O.S.T. approved continuing education provider, and as such, will maintain trainee and course records in accordance with P.O.S.T. rules. A printout of the training courses that you have successfully completed during the previous period is available upon request. Effective no later than January 2012, all training records will also be a part of the Jefferson College Continuing Education records management system and will be available to you to access your training records at will.

**NOTE:** Now that we are partnering with the Adult Continuing Education Department, you are eligible to use the JCI Fitness Center and computer labs during JCI hours (Monday-Thursday / 0730 – 1930 hrs.; Friday / 0730 – 1600 hrs.)
