

Q1: In your opinion, what does Jefferson College do well?

(as of 12/2/09)

Classification	Community Organization	Q1
CO	St. Louis Manufacturing Company Representative	Provides a high quality technical education in a wide variety of fields at a reasonable cost.
CO		Provides a valuable service for local students. Learn skills leading to productive employment.
CO		It has been a while since I have been through the program. But my kids have told me things that I remember: a good environment with a knowledgeable staff that cares.
F		(1) Provide affordable opportunities for post-secondary studies for local students who may not otherwise continue education beyond high school. (2) Tech education for careers in that area.
F		Take a personal interest in each student. They are not treated like a number.
F		Quality of teaching affordable
CL		Provides affordable quality education to our community
F		Provide a good education (provided you do not get some of our adjuncts who are not very good or do not take their responsibilities seriously) at a very affordable price.
F		runs + goes smooth and are there for the students
CL		personal touch. We give students a hand-up not a hand-out. We point students in the right direction but do not do it for them
CL		It is affordable and has good resources for our students.
CL		Take care of our students
CO		Offers comprehensive programs to train people well in technical fields in a wide range of different areas. (ie: CAD, Vet Tech, etc)
CO		I believe that Jefferson College offers a very cost effective education for students of all ages. The quality of instructors and administrators is excellent in my opinion.
CO	Benees Inc	Seems to offer a broader range of courses and degree options.
CO	Architect	Provide an alternate to those students for whom a four year degree is not an option. Also, it helps prepare the way, with smaller classes & scale of campus for students where going on to university is an option.
CO	BRT	Provides a quality life skills and training for the cost of education.
CO	Production Castings Inc.	In my opinion Jefferson College gives students a wide range of opportunities of education, but many people are unaware of what they offer.

CO	Building Repair Technology	For the value of the dollar, I believe Jefferson offers its students a well rounded educational experience.
CO	Parents as Teachers Desoto Coop	Jefferson College prepares students with the foundation to continue their education or enter the work force.
CO	Parents as Teachers - Windsor, Festus, Crystal City, Dunklin & Jefferson R-7	Provides a quality and economical education for all who are interested in continuing education beyond high school. Jefferson College also offers technical programs as well as associate programs and now offers Bachelor Programs available on campus at Hillsboro & Arnold.
CO	Children's House of Hillsboro	When I attended Jefferson College, the faculty and staff were always so helpful and personable. From talking to students now, it seems like it is the same way. I feel this is very important, especially for students away from home.
CO	Tech Prep Cons. Meeting	Sarah Bright does an excellent job with the Tech Prep program. She is very knowledgeable and always helpful in answering our questions. Jefferson College is very good at providing the courses students need at the educations that are convenient for them.
CO	Tech Prep Meeting	Good job of meeting the needs of entry level college students and providing a varied curriculum.
CO	Arch. Draft	Ensures students success by offering students help in other studies.
CO	Architectural Drafting	Effectively teach students on the latest available programs with the latest technology.
CO	CAD	The students that we have interviewed were well prepared for the interview as well. As there qualifications, we have hired several students and are very well pleased.
CO	CAD - Mr. Young's Group	Supports and cares about students. It has a strong desire to see students succeed.
CO	Robotics	I think Jefferson College does an excellent job educating students. The costs are so good at Jeffco. Compared to public schools.
CO	Mid America Solan	
CO	Tech Prep Cons.	Well organized. Good education by technical system.
CO	Tech Prep. Crystal City High school	I see Jefferson as a complete junior college, that does a good job at offering a wide variety of degree programs that meet the needs of pretty much everyone.
S		Jefferson College has given me very good instructors with knowledge that will be very helpful later on in my career.
CO	Citizen on several boards/committees	Keeps current with technical education needs.

CO	Tech Prep Cons.	Provides excellent education at an affordable price.
CO	Tech Prep Cons.	Communicate with area schools, teachers, and students. Tons and resources for gathering information.
CO	Tech Prep Cons.	Provides good technical training opportunities.
CO	Tech Prep Counselors	Communication is well executed here. I never have a problem getting the information I need. Every staff member I've met is very accommodating and helpful.
CO	Fortune Bank	Offers a variety of classes locally and also online which will help contribute to the enrollment of students.
CO	BRT	Good diverse curriculum
CO		
CO	Tech Prep Consortium	Jefferson College prepares students to be successful at a four year university upon completion of the first two years of college education.
CO	Tech Prep Consortium MTG	Its tech prep program is and has been outgoing when it comes to providing CTE professional development for counselors, etc.
CO	Tech Prep Consortium	Offer "lower" cost college classes to the students in the community. Offer opportunities in career Education - some of our high school students would not be successful without the ATS!
CO	Tech Prep	Provides a sound, economical education option.
CO	Tech Prep	Tech prep does a great job searching out to and assisting local high schools.
CO	Tech Prep Cons.	Variety of programs. Community engagement.
CO	Tech Prep Cons.	Bring the education experience into a real world process. Prepare the students for life.
CO		Adding locations, remote, to help students attend college.
CO	Carpentry Advisory	Jefferson College offers a chance for new students to choose a profession of interest, to learn and excel in.
CO	Missouri State Highway Patrol	As a community college in Jefferson County, the broad range of technical and general studies help bridge the gap for students and also help to make them well rounded individuals and citizens.
CO	Residential Carpentry Advisory Committee	Building Trades-Architectural drafting do a very good job.
CO	Dobb's Tire and Auto	Jeffco services the rural students very well, but is only average in servicing the population center in Jefferson County.
CO		Teaching of trade basics.
CO	Mechanical Supply	Provides quality education at an economical price.

CO	Air Conditioning, Heating, and Refrigeration	Your advisory board annual meetings are important. I joined the advisory board shortly after the HVAC/R department started. Our air-conditioning, refrigeration, and heating industry is constantly changing and improving products and components. Along with HVAC students learning the basics, your board members bring new information to the table on new products. Roy Stueve does a great job teaching the basics and introduces the new items and service requirements. Additionally, you have shown a high degree of placement after graduation.
CO	Automotive Advisory Group	Jefferson College offers a quality education for a very reasonable price.
CO		Vocationally oriented, as compared to solely academic, education that is most needed in this county.
CO	EMT/Paramedic	The students that become EMT's or medic are well trained and the cost of the program at a very good price.
CO	HRA	Small classes, accessible locations
CO		Communicate with the Businesses in the area.
CO	BIT	I have not attended Jeffco but in reviewing your website and other information about the college I'm impressed with the broad spectrum of degree programs offered, online courses appeal to working adults and information is easy to find.
CO	Advisory Nursing Member	Communication with new instructors - shares orientation process (challenge with other schools).
CO	Advisory Committee Member	Offers varied choices for students. Communities involved. Sees that students have awesome clinical sites.
CO	Current RVT, College Student and Concerned Committee Member	I have been familiar with Jefferson College for many years although chose to attain my college degrees at a university. I like the wide variety of educational choices offered to prospective students and at a cost many can afford. I know many graduates from Jefferson College that have graduated and become very successful in their career choices. Unfortunately my only affiliation with Jefferson College is volunteering at a couple career affairs and being on the IACUC board fir the Veterinary Technology Program.

CO	G2Power Technologies, LLC	Focuses on skills and trades that are easily achievable. This is great for a workforce that can not possibly afford the time or finances of a traditional degree program. Many liberal universities offer degrees that are no longer even relevant. Using myself as an example: I have a BS in Business Administration. Very little of my business degree was useful to me in assisting me in forming or running my business. Real world information was what I needed. Socio-Politics, sociology, and other non relevant coursework was what I received. Essentially just and expensive paper.
CO	St. John's Mercy Hospital	Get them off to a good start in the basics.
CO	Fire Science Advisory Council	Provides a solid fire science program.
CO	Fire Science	Advertising the College.
CO	Fire Science	Address the needs of students who want to attend. Financial aid, class schedule, advising.
CO	Advisory Committee	Provide broad based education for retraining people for a declining economy.
CO	Advisory Committee	Jefferson College provides a well balanced assortment of educational needs for the area at a reasonable cost to the students.
CO		In nursing you meet the diverse needs of adults learners by offering a variety of entry level nursing programs - special kudos for the evening/weekend option.
CO	Bus Mgmt Advising Committee	Everything
CO	Business Mgmt Advisory Bd.	Communicating to the Community then print ads. Flyers and College marquee.
CO	Bus Management Advisory Committee	Has a great business program to serve the students.
CO	Business Management Advisory. Com.	I think it does a great job at paying attention to student need by keep class small.
CO	Business Management Advisory Committee	The college offers a nice range of courses. Also, the teachers provide real world training to the students.
CO	Business Management Advisory Committee	Provides affordable education to the community.
CO	Festus Manor Advisory Committee	They have an excellent health occupations class + RN + LPN program.
CO	UMSL	The students we recruit from Jefferson are academically prepared. In our next graduating cohort, all students have above a 3.0 GPA. The students are well prepared for our program.

CO	JCA-Public Meeting	I believe their online courses are very well thought out. The website and STARS portal seem to work and flow rather well.
F		Hands-on, face-to-face concern for individual student.
AJ		This is my first semester as an adjunct faculty member, so I cannot make a well-rounded judgment on the institution as a whole. Having said that, the department that I am a member of is very well organized.
CO	Economic Development Corporation	It gives people of our area the chance to achieve some higher education that would most likely not be affordable at a four year institution.
CO	JCGDA	I'm very pleased on all aspects of the College.
CO	Jefferson County Community Partnership	Provide a reasonably priced post-secondary opportunity Provide a reasonably priced post-secondary opportunity for those in the surrounding area.
CO	health	Advertise.
CO	Health Services Advisory	The programs available meet the needs of employers on a professional basis. The CAN program is outstanding.
CO		Jefferson College has teachers which are knowledgeable in the programs that they are teaching. Classes are located in central areas.
CO	Heating, Refrig + A/C	Placing satellite branches around the county for easy accessibility.
CO	Fountain Blue	Strong education of general skills. Community Outreach.
CO		
CO	ATS Health Services	Offers well rounded educational programs for local students with reasonable costs. The dormitory buildings are a plus to the college.
CO	Festus Manor	The Health Occupations class for CNAs is wonderful.
CO	RVT - Class '07	Open door policy - Staff really cares.
CO	RVT (grad from Jeffco '07)	Offer staff to assist students (i.e. career counselors are always available, tutor programs)
CO		Provides a wide spectrum of technical training while keeping cost down to the student manageable.
CO	EMT-P program	Open communication with meeting the communities needs, and keeping cost down.
CO	EMT-Paramedic	Prepare students for national test. Preparing good students for keeping costs down. Entry level work.
CO	Nursing Advisory Board	Prepares the students nurses to be well rounded for starting their careers as nurses.
CO	Nursing Advisory Committee	Your clinicals are thorough, very important for learning nursing skills.

CO	Nursing Advisory Committee	Organize well and prepare graduates for the job field. In relation to the nursing program all the new employment opportunities are greater when the employer recognizes where the graduate comes from.
CO	Advisory Committee Member	It appears Jefferson College...reaches out to multiple facilities to give students a variety of experience.
CO	Advisory Committee	Prepare students to provide bedside care/perform nursing tasks or easily adapt to own procedures.
CO	Economic Development Corporation	Keep very positive and visible in the public eye. Offer evening classes that our employees take to be qualified for their job. The new facilities in Arnold and High Ridge.
AJ		One of the things that I was really impressed with is the ARC Hotline because these services are excellent at meeting the needs of the total student. Whatever area that the student is struggling with, the college provides social services to meet the needs in the area of financial, academic, and mental/social needs.
AJ		Provides an opportunity for the first two years of college at an affordable price and to be completed locally.
AJ		I think you take care of our students very well--very caring staff.
AJ		Jefferson College does many things well. You provide an excellent education and you offer a variety of degree and non-degree programs. Your instructors are extremely qualified. The administration and staff that I have encountered this semester have been professional and supportive.
CO	Advisory Committee, Director of Nursing	Provide an education for students from all socio-economic backgrounds. Reach out to the community to see what our needs are and what we expect from graduates.
CO	Nursing Advisory Committee	Supportive of students. Seeks opportunities to meet student needs. Ensures basic skill needs are met.
CO	Advisory Committee	Prepares nursing students very well.
CO	Welding	Welding program prepares you for the real world.
CO	Welding Advisory	Welding program: Welders we've hired have good technical abilities.
CO	Welding	Offers A+ programs to local high schools.
CO	Auto	Prepare the students for higher education.
CO		Promotes and supports A+ programs. Making college education affordable for students.
CO		Provide financially economical education. Close to home

CO	Local Businessman	Provides an affordable education. It also allows students a great platform to transition to 4 years universities.
CO	Business Info Tech	-Offer a wide variety of courses for all students. -Provide students with practical office experience through classroom/office settings. -Welcome/encourage from local companies.
CO		Faculty has always been student friendly.
AJ	JC Adjunct faculty	Makes a college education affordable to local students.
CO		Scheduling: students are able to get the classes that they need when they need it.
CO	Health services	Help support our community and they provide a great chance for people to go to college.
AJ		Provide a quality education to our community members. Provide leadership for the community.
CL		We meet the needs of our students and the community by offering a variety of college credit and non-credit courses. We provide many resources to students to help them be successful.

CO	JCNW Community Meeting - WIA Youth Program	Campus staff is very student centered. There are really good people in the offices and support programs. The campuses are all convenient and the distance for anyone to take classes is manageable. Tuition is incredible for beginning students.
S	JCNW Community Meeting	I love the way the staff is so friendly. I came in on a Monday and by the time I left (about an hour or so later), I was completely enrolled. Dena was wonderful.
CO	JCNW Community Meeting	Supports the community with educational resources ie. day classes and Continuing Ed. * Offers public use of facilities ie. Viking Room & Natatorium (at Hillsboro campus)
S	JCNW Community Meeting	Support!!! Martha and Sharon are number 1!
S	JCNW Community Meeting	The college staff is excellent at getting you enrolled and giving the information needed to apply for Pell grants.
AJ		I think there is a good level of communication between everyone in the department.
AJ		Community involvement, including staff/adjunct and guest speakers. The college has "user friendly" appeal.
AJ		It reaches out to the community to bring in talented adjunct instructors. It utilizes the resources in the community to educate the future of our county. Keep looking out to our residents for their life experience to pass on. Jeffco caters well to the co.

AJ		I think Jefferson College has good advertising and shares a belief in quality education with its students, faculty and community.
S		Places to study, book, internet programs in the library to help on homework/papers.
S		Wide variety of academics - support help (i.e. instructors, student help).
CO	Jefferson County Community Partnership	Most of the students that come to ride at Rock Township Ambulance District are well prepared. They seem to have a good knowledge base. They understand that we are looking for students that are professional, eager to learn, and are a good representative of your college.
CO	University of Missouri Extension	Offers college education to people who, for whatever reason, cannot attend a university and offers continuing education to people of all ages and walks of life. Helps to make people realize that learning is a life-long process.

CO	Experience Jefferson County	Jefferson College provides quality education at an affordable price. During these tough economic times it is wonderful to see the college host "Information Sessions" to help those who are unemployed to see if education could help their situation. Jefferson College also provides community education opportunities through its Continuing Education division. This is an important outreach arm of the college and brings many people to its campus that might not otherwise visit. The AEL program offers people an opportunity to obtain a GED that will help to improve their chances to become successful. Jefferson College does a wonderful job in providing what the community needs.
CO	Experience Jefferson County	The College provides campuses which make it possible for people to attend a class near their home.
CO	Experience Jefferson County	Offers students a wide variety of options for a career path.
CO	Experience Jefferson County	They take the less well prepared student and through remedial courses bring them to college standards; this helps to insure success for those students. They work diligently with four-year institutions to be certain students spend their Jefferson hours on transferrable classes. They prepare the AAS students for success in their chosen fields; Jefferson turns out a quality worker.
CO	Rotary	Recruit local students. Offer "real world" degrees. Multiple campus locations.
CO		Provide an outstand venue for all types of local and community events for all Jefferson County residents.

CL		1. Provide a clean, safe environment. 2. Hires helpful employees who take out the time to help students when needed.
AJ		Faculty does an outstanding job of teaching students what they came here to learn. These outstanding educators allow for different learning styles and abilities. Learning truly takes place in ALL our classrooms and this leads to an educated public--the primary purpose of our institution.
CL		I am a temp. in Student Activities and am new, but I have heard excellent things about your faculty from your students. They are very happy with them and the ease of approaching them, which is great.
CL		Jeffco does well in maintaining the campus--a good blend of nature and buildings. Keeping the appearance of the campus well maintained (i.e. grass cut, trash picked up, parking lots kept well--no holes, breaking concrete).
CL		Jefferson College provides a quality education at an affordable price that prepares students to do well in the academic world.
F		Has a great library. Adult Ed. is good.
F		Faculty have a sincere interest in students needs. They provide individual help and focus for students needing extra help.
CL		Provide the basic, beginning steps in a student's college career--1. Academic support 2. Financial support in economy.
CL		Identify. Works well with the student. Quality Education.
F		1. Prepare our students for a 4-year institution. 2. Software in labs...stay current and ahead of the industry.
F		Making "pacts" with 4-year institutions for a smooth transition, according to what I heard. But this process is not complete without this point.
AJ		We offer basic, general, and tech education at much reduced rates to local communities. It allows students to "stay at home" without extra costs to earn their gen education credits or tech skills.
F		Employs great faculty and staff.
CL		Graduates educated students with skills needed for employment.
CR		Provide quality instruction, customer service and student support services for students/people seeking services from our community.
CL		Helping students with advising and needs of new students.
CO	Mastodon Art/Science Fair	Provides affordable education for both AA & AAS degrees. CTE training & Police Academy are wonderful assets for the local businesses.

CL		The college does well at making itself accessible to the community.
CL		Providing a small classroom setting, which give faculty a better chance to give more attention to the students needs.
CL		Assist and serve the students. Primarily, lost or 1st generation students.
F		Present a welcoming atmosphere!
AJ		Low cost, quality education. Top notch instructors who care about the student's themselves and the education they are getting.
CL		JC keeps tuition costs low, making it a wise choice for many students for their freshmen and sophomore years. Especially in today's economy.
CL		Provides excellent resources to students and the community as a whole. Provide very competent faculty to our students.
CL		Provides affordable college credit covering basic degree requirements for students going on to four year degrees.
F		The college fulfills the community college mission very well by providing career education, transfer education, continuing education, and community programs.
F		We offer a quality education at an affordable price.
F		Offer good locations for our campuses that serve our rural as well as urban areas in the region.
CR		Academic programs are strong and good variety, good inter-departmental teamwork.
CL		Small class sizes which leads to personalized attention. Friendly atmosphere.
CL		I believe the Nursing program and the Police Training Program are very strong. We are also very student friendly.
AJ		Tries to find out the needs of the community and the best way to meet those needs.
CL		Provide service to all areas of the county through our remote sites.
F		Vocational ed. of all areas, by having "hands on" learning.

CL		Provide plenty of opportunities for people in the community to take classes & to become involved in their own education

CL		Keeps educational costs low
CR		Going above and beyond to help students succeed. Meeting financial needs as well as educational, personal, and long term. Julie Frazier is amazing.
CL		Provide quality education. Works to keep up with the ever changing needs. Provides quality instructors for classes. Provides opportunities for public input.
F		The grounds and appearance of the campus is very good. Good reputation with Athletics Department.
CL		Serve the public
F		Provides basic education and also some very good CTE courses. Some faculty are very good at their jobs and really care about college students futures.
CL		Jefferson College does most endeavors well but should strive to be even better.
F		We provide students with a quality, comprehensive education and are committed to their success. We also provide an array of cultural events to the community at large that enrich their lives and broaden their horizons.
F		Developmental services (Learning Center, etc)
CL		Provide affordable, accessible higher education
CL		Service Students at Arnold campus
F		Prepare our students to meet the challenges they will face in life.
CL		They plan their activities well. They give the community a wide variety of classes and choices/opportunities.
CL		Jefferson College does well with the students providing/offering education as well as online classes (Mytime class) Employee/staff friendly and willing to help
S		Friendly and open. Job fairs. Variety of opportunity for education, certificate programs, GED, 2+2 programs at reasonable cost.
CL		Assist students. Provide beautiful grounds. Offer wide variety of employment/career services.
CL		Customer service. Student resources. Personalized attention. Quality of education and offers something for everyone.
CL		Keeps things personal and helps students individually
CL		Meet the needs of a wide range of learners.
CL		Help students understand what they want to do with their lives.
F		As a full time faculty member and having lived in this community for 28 years, I believe Jefferson College has always looked to the future and how well it can serve the community.

F		Does a good job of providing classes/courses that will allow students to transfer to 4-year schools.
F		Providing various/alternative ways to receive an education.
F		Quality education for our students that allows them to smoothly transition to 4-year schools. *Provide cultural leadership to community.
F		Teaches students. * Provides programs, labs, and other aids for students to do well in classes.
CO	Arnold Rotary Club	Yes, its association with other schools for advanced degrees make college affordable in these difficult times.
CO	JCGDA	Provides quality, affordable education. I feel the college is really in touch with the community.
CO	City of Pevely	1. The educational opportunities offered by the College are significant: In that I mean the amount of classes offered, the full course work provided for associate degrees, classes for high school students that can count toward a degree, fine art opportunities for students and residents, seeing the need to expand and capitalizing on that, vocational education, quality education that can transfer to a four year university.
CO	EDC	Jefferson College provides an excellent education at a great cost. Jefferson College has very good 2 year degree programs, which prepares kids for continued education at the 4 year colleges. They also offer a wide variety of Associates Degrees and technical programs.
CO	County Government	Jefferson College offers outstanding educational opportunities at an incredible value.
AJ		
CO	Jefferson County Community Partnership	They provide basic education toward self sufficiency.
AJ		Reach out to the community to bring in students who would otherwise not have the encouragement to enroll.
CO	Ozarks Federal S&L	Jefferson College offers a variety of classes, from traditional courses to public interest classes. Also, the variety of different schedules that the college offers is great.
CO	Ozarks Federal S&L	The advisors, teachers and staff make sure the students understand. They take the time to explain things fully to the students.

CO		Jefferson College offers a vast variety of classes and career opportunities. My daughter attended last year and was impressed with the effort from the staff to assist the students with their success. Help labs and faculty.
AJ		Jefferson College promotes a strong senses of community among students. Students take pride in receiving their education from Jefferson College. The faculty and staff genuinely care about the success of students.
AJ		Provide affordable education to the residents of Jefferson County. Caring Faculty.
CO	Advisory Committee	Network with the community.
CO	Retired Faculty	Provides area students an economical opportunity to receive college credit courses that are well taught. A great beginning for students who can then go on to a 4-years school!
CO	Advisory Committee	JC is very student focused. We have had students transfer to JC and they were so surprised to learn that JC is so friendly and the staff is so helpful.
CO	Advisory Committee	Commercial locations throughout the county. Good course offerings. Opportunities for self-improvement. Beautiful Hillsboro and Arnold campuses.
CO		Look at new technologies and update class offerings. Expand classes to multiple terms in Jefferson County, provide quality education and have good community involvement.
CO	Jefferson County Community Partnership	Jefferson College has small class sizes and the professors give personal attention to the students.
S		If offers a lot for just being a community college. It stays up to date. The people are very nice.
S		The campus staff and faculty are friendly and helpful. The faculty is professional and kind. The college overall does an effective job in training the students for the future.
S		Jefferson College provides an affordable education for the residents that live in the area.
S		Jefferson College does a good job advising. Advisors are very helpful and work well with you to develop a schedule that best fits your individual needs.
S		Jefferson College sees a problem and they fix it. They do not let it slip between the cracks.
S		Jefferson College does have a good selection of classes available for students and does work around the students lives and schedule.

S		Jefferson College's Stars program is very helpful. It is easy to use and it has the information I need for all of my classes. Also, Stars contains all of my college information & grades. It is a very effective tool!
S		I like that the education classes require us to do different field experiences because it's what we need to prepare us.
S		The college utilizes the web for many helpful processes. Signing up for classes, paying tuition bills, printing schedules, financial aid info & taking classes are all web based aspects that I regularly take advantage of & thoroughly appreciate! Thank you!
S		Jefferson College offers free tutoring and peer tutoring.
S		Jefferson College has knowledgeable and capable teachers. You also accommodate well for changing circumstances (ie. parking problem at beginning of semester).
S		I think it offers many resources that are available to students 90% of the day. Having resources available is important. Many of the teachers are great as well.
S		They strive to help you do the best you can in your classes by offering tutoring services and the teachers make office hours available for you. * They keep the campus nice and clean. * The campus is a safe environment with plenty of security.
S		Jefferson College does a few things well. One thing is that there are different times to take the same class. Another thing is the amount of activities for students to do and see.
S		I feel that the college has great hours for students to be able to take the necessary classes. It is very easy to find a time that is good for the student to be able to take a particular class.
S		Has flexible hours for students to attend classes. The tutoring opportunities are an asset here.
S		Student/faculty connections. Faculty and staff are very accessible. Students are given opportunities to discuss & receive help referring to grades & classwork as well as information from registration and other staff.
S		Making time for students with advisors. Help guide students to what classes they need to complete a degree. Along with having all information available for everyone.
S		I think they handle the problems that come up very well. Like with the parking, eventually something was done and now there is more parking available. Also very informative when something happens.
S		Jefferson College creates futures for individuals by creating quality education. The staff is also involved in students goals.

CO	Jefferson High School	*Advertise/P.R. * Employ quality people. * Jeffco has transformed over the past 15 years and has done a good job of informing the community.
F		Offering quality education at affordable rates. Professional educators that are accessible.
S		The college is affordable and I like how they offer a lot of night and evening classes. The ratio to student and teachers are small.
S		Jefferson College offers many options for taking classes in order to accommodate every typ3 of student. (nights, weekends, 1x per week, etc.)
S		It has a variety of classes offered in multiple degree programs. Jefferson College holds high standards for students.
S		Jeff. College is extremely flexible which is an excellent quality. Classes are provided at many different times and on different days. Also, online classes make it even more time efficient for people with a busy life style. The "my-time" idea is great.
S		Jefferson College focuses on engaging students and getting them involved in class, students are not constantly lectured at.
S		Yes. Jefferson College has met my expectations and beyond. The classes have made me more knowledgeable about my major than any classes I have taken at other colleges and universities.
S		They are good at helping students get into classes. They have a majority of well collected, knowledgeable professors.
S		I'm not knowledgeable about the other programs but the Teacher Ed. program prepares us well for the education world.
S		Teacher to student ratios; I feel that the ratio is perfect for student assistance and with the exception of 101 classes, I feel like an individual and not a statistic.
S		As a student, the education program AAT seems to have many benefits. I believe students that complete the program should be prepared and ready for a classroom experience as a substitute. This will also lead the future teacher to be well prepared for the next step in their education. I believe the diversity and level of expectation in the courses are exceptional.
CO	Festus R-6 Schools	Provides opportunities for residents of Jefferson County to receive quality education at a low cost. Especially important to the young people of the county to have an opportunity for college that they might not be able to afford.
CO	UMSL	Preparing students for transfer - we don't typically see students that suffer from "transfer shock" in our program and the students do very well in our programs.

CR		Stay student focused.
CL		Realize the need for student success. They pay close attention to what students need to help them excel and be excited about their education experience.
CL		Address concerns from students/public and adapt methods to accommodate those concerns.

S		Yes, I believe Jefferson College does well to prepare students for life after college.
S		I think that Jefferson College provides quality resources for students who are in the need of academic help such as the math and writing lab. Also the librarians are also very helpful and knowledgeable.
CO		Offers flexible class schedules, at a very reasonable price. Also a variety of careers.
CO		Both my spouse and I received a wonderful education (AA degree) with great programs and professors. I was able to commute from home (Desoto). I now use Jeffco as an alumni for adult tap classes. Through Continuing Ed., my children are also in constant swimming lessons. We have an Alumni & Friends pass and use the pool often. The new housing looks great too! My children also attend ATS child care and morning day care and bus to Hillsboro Primary. It's wonderful!
CO		
CO		Prepares students very well in general education courses--for transfer. Prepares music majors very well for transfers.
CO		The college does an excellent job of bringing students along even if they are starting from a lower level of academic proportion.
CO		Very active in the county. Good community relations.
CO		
CO		Offers all Jefferson County high school grads an alternative "close to home" to further their education and a perfect setting for all adults to continue their education in the evenings.
CO		The college has a reputation for excellent experiences for learning. The graduates do well.
CO		I think Jefferson College is the best Jr. College in the state. It cares about the total student, not just academic competence. It hires competent teachers and other staff. It keeps in touch with supporters in the community.
CO	College Retirees	The College does well in providing a quality education, conveniently, to students at an economical cost to them.

CL		Serve the community. Meet students needs.
F		As a founder graduated of Jefferson College, I treasure my experiences as a student here. I really felt prepared to more on to another college to complete my degree. I also felt that I graduated from the best school in this area!
AJ		Looks out for the welfare of the students.
AJ		Jefferson College promotes a strong sense of community among students. Students take pride in receiving their education from Jefferson college. The faculty and staff genuinely care about the success of the students.
CO	JCCP	As an alumni, I appreciate that Jefferson College offers a variety of classes for returning learners as well as young people. I believe Jefferson College strives to make its classes available to the largest number of people possible. I believe that, if you are a student, you are in that "loop" to know what is going on at the campus, which in turn, stimulates participation.
F		Student support services like Project Success and Advising, Retention; CTE - providing students with real world hands on skills to be ready for the job market.
F		Education
CL		Keeps students and community in mind while trying to educate.
CL		Establishes a strong relationship with the community.
CL		I believe we serve students well through the Admissions, Financial Aid, and Advising/Registration process.

F		Instruction from full-time faculty.
F		Provides the opportunity to be a large base of students that may otherwise be unable to pursue higher education - a broad range of programs, developmental courses for those not prepared to enter higher education and encourages retention and low ratio, student-teacher interaction; affordability as well.
CL		Student-centered. We are very focused on the success of our students.
CL		Making students #1 priority.
S		Provide an education to all students no matter what educational level or economic background.
F		The quality of the education that students at all levels - ATS - Post Secondary - is outstanding. There are many aspects of Jefferson College that are community oriented.
F		Providing access to education to all students.
F		I think that we do an excellent job of making a college education available to a broad range of students, especially to students who arrive under-prepared for the demands of college-level coursework. "We teach them how to swim."
F		We provide a "leg up" in people who have never had the opportunity to seek higher education. For instance, our nursing program helps people to obtain excellent employment opportunities, provide needed services, and the opportunity to expand their skills.
CL		Quality instruction; reaching out to meet the needs of all students; providing resources and support to employees.

CL		Providing assessment services to students (outside tests), Learning Center services (help to achieve college goals down the road), online classes, info regarding registration.
F		Instructors generally have opportunities to develop their classes/departments without worry about the prevailing notion of conventional wisdom = i.e. academic freedom.
CO	Jefferson High School	I think the public relations is good. The Area Vocational Center is an asset to the college program.
S		It's like high school but I'm not playing any sports
F		Get to know students on a personal level and make extra effort to meet individual needs that result in student success.
CL		Help & assist students on a personal level. Students feel very comfortable with our staff & faculty. We are very "service" oriented. Many useful resources.
CL		Having its name out in the community. Ex. Balloon glow, billboards, ads in newspapers.
CL		We provide personal attention to students. Visitors to campus are impressed with how helpful and welcoming faculty and staff are. Employees collaborate to ensure each student is successful; we have a very supportive and inclusive environment.
CL		Close to home--means easier and more affordable access for many local students.
CR		Genuinely responds to student and community needs. Treats students as individuals rather than a number.
CL		The college has hired some fantastic instructors that I have had the privilege of being instructed by--John Buschard, Darla Boyer, Nancy Walker.
CL		Connecting with students both in the classroom, and in campus offices. We are friendly and approachable. Class offerings are good--as good if not better than university classes. Challenging.
CL		Individual student attention. All of our departments in my experience go out of their way to help students succeed.
S		Provides a good Student Center and advising team for the students. The students are able to talk out issues they're having with advisors and the advisors try to help the students as much as possible. I think that the college is helpful for most students
S		It makes it easy to access a wide variety of books.
S		Financial aid, they do very well at helping us with our money problems.

S		Jefferson College succeeds in my opinion at teaching. This is my first year at college and all of my instructors are amazing. They all teach, unlike some of my friend's teachers who just lecture. I need PowerPoint's and hands on for me to learn.
S		Jefferson College has a very nice facility. They keep their campus very clean, the teachers are nice, the teachers want to know what is going on with the students, there are facilities everywhere to help you if you need help. There is an easy connection to computers and the library. If you need help there, there is always someone to help.
S		In my opinion, Jeffco is doing everything that I can see very well.
