Following last year’s inaugural season, the Jefferson College Performing Arts and Cultural Enrichment (PACE) event series will return for 2013-14 with numerous presentations including comedy, film, jazz, art, dance, classical music, and magic/illusion.

Sponsored by the college’s Cultural Diversity Committee, the upcoming PACE series will include a variety of guest artists such as the United States Air Force Shades of Blue Jazz Ensemble, Brandon Ridenour of the Canadian Brass, master illusionist Keith Jozsef, the Funky Butt Brass Band, the Wee Trio, and a Spring Jazz Showcase featuring Christian McBride and Peter Martin. The series will also include several student-community performances such as plays, band and choir concerts, theatre performances, and art exhibits.

“A hallmark of any great college is a vibrant arts series featuring performers and experiences that shape our perspective and offer something for everyone,” said Cultural Diversity Committee Chair and Music Assistant Professor Dr. Joel Vanderheyden. “The PACE series includes first-rate artists and performers that celebrate the human spirit, enrich our lives and broaden our understanding of the world, all while providing great entertainment.”

A PACE season pass, which includes admission to the entire season of events, is available for $25 per person general admission and $15 for students and senior citizens. Season passes can be purchased via cash, check or credit card at the cashier’s office in the Student Center on the Hillsboro campus. There are no refunds for unused cards/performances. Those who purchase a season pass will save $12-35 compared to single event admission for the entire series.

Individual event advance tickets are also available for $5 general admission, $2 students and senior citizens. All individual advance ticket purchases must be done in person at the cashier’s office Monday-Thursday from 7:30 a.m.-6 p.m. and Friday from 7:30 a.m.-4 p.m.

To view a full-color e-brochure detailing PACE performances and season pass information, visit the Jefferson College website at www.jeffco.edu/pace. Additional information about purchasing PACE season passes is also available by calling (636) 481-3123 or (636) 797-3000, ext. 3123.
The Jefferson College Friday Speaker Series for 2013-14 will begin on September 6 at 11:30 a.m. in the Viking Room of the Student Center on the Hillsboro campus with a presentation by Colonel Jim Bell titled “Growing up in the Ozarks.”

Bell, a longtime resident and auctioneer in Jefferson County, will share information and stories about his life growing up in Iron County near Bell Mountain Wilderness during the Great Depression era. He recently authored a book, “Growing Up in the Ozarks: The Iron County Kid,” a biography of his life. Bell is 81 years old, and has been a resident of Jefferson County since 1961.

Other upcoming Friday Speaker Series programs include:

October 4 – “Conservation Education – A Global Perspective”
Jefferson College Biology Professor Dr. Patricia McDaniel will present her most recent work in Panama, where she has been developing and implementing conservation education programs while working with the indigenous Ngobe. McDaniel will also highlight some of her previous conservation efforts in other Central and South American countries.

November 8 – “Nature and the Great Outdoors”
John Winkelman, communications coordinator at Mercy Hospital Jefferson and member of the Jefferson College Board of Trustees, will give a presentation on nature and the great outdoors based on his experience as a Leader newspaper columnist and Outdoor Guide Magazine editor.

Additional presentations will be announced soon. Each monthly program will be held in the Viking Room of the Student Center on the Hillsboro campus. Admission is $7 per person, which includes a buffet lunch with beverages and dessert. Because space is limited, advance reservations are recommended.

Friday Speaker Series presenters represent a broad spectrum of fields and subjects including regional, national and international agencies and organizations; regional landmarks; education; historical events; professional sports; and film and television. To make reservations or to be placed on Jefferson College’s Friday Speaker Series mailing list, contact Dorothy Maupin at (636) 481-3101 or (636) 797-3000, ext. 3101, or email dmaupin1@jeffco.edu.

Jefferson College has been selected as one of only nine institutions/systems from across the state to participate in the Missouri Completion Academy on Sept. 10-11, an initiative by the Missouri Department of Higher Education.

Jefferson College was selected on the basis of its strong proposal that reflected extensive use of data to inform policy decisions, focus on policies and procedures to improve degree and certificate attainment, and the strength of commitment demonstrated by the composition of the leadership team. Led by Vice President of Instruction, Dr. Mindy Selsor, Jefferson’s team consists of Business Information Technology Professor Janie Blum, Arts and Science Dean Shirley Davenport, History Professor Gabrielle Everett, Director of Admissions and Student Records Dr. Kim Harvey, Learning Center Director Betty Linneman, Career and Technical Education Dean Dr. Dena McCaffrey, and Director of JC Online and Instructional Technology Allan Wamsley.

Congratulations to Program Director Lisa Martin and faculty/staff in the college’s Occupational Therapy Assistant program on receiving seven-year accreditation by the Accreditation Council for Occupational Therapy Education. The program is one of several new healthcare-related options the college has created in response to regional and national employment demands.
Open to All: Expanded Menu Selections Enhance Food Service Options at Viking Café

In response to campus requests and feedback from advisory committee members, Food Service Consultants is making a number of changes for the upcoming year to provide additional healthy eating options and increase variety within the existing Viking Café menu. From an expanded deluxe salad bar and a new deli bar with made-to-order sandwiches/wraps to a daily value meal and homemade hamburgers, there’s something for everyone.

Some of the many customer-focused changes include:

• **Deluxe Expanded Salad Bar** – Includes daily fresh fruit, yogurt bar, hummus, and a wider variety of healthier items.

• **New Deli Bar** – Features sandwiches and wraps made-to-order. Sandwiches are prepared much like Subway with a choice of ingredients. Wraps for “grab and go” will still be made available as an option.

• **Main Entrée and Daily Features** – Features the most popular menu items, as well as some new and “lighter” selections. Menu items will be homemade as much as possible. There will also be an emphasis placed on reducing the use of processed foods. Alternative or additional entrees and hot sandwiches will be added to the menu cycle. Vegetables will be primarily “fresh or frozen.” Homestyle mashed potatoes and other accompaniments will be featured and fresh-baked breads and rolls will be offered as well.

• **Grill Area** – “Homemade” hamburgers are cooked-to-order and grilled chicken breasts and breaded chicken menu items are available daily. Although items will be progressively cooked in order to ensure speedy service, everyone is encouraged to request that their selection be freshly prepared while they wait. Feel free to let cafeteria staff know what other items you would like to see offered.

• **Panini and Hot Sandwich Specials** – Available daily with a soup/panini special on Friday

• **Soft Drinks/Coffee** – A variety of popular beverages are available along with half-price refills. Beverage prices remain the same as last year.

• **Value Meals** – To help those that are on a limited budget, a $3.50 value meal has been added and will be featured daily. Patrons are encouraged to purchase a Viking Café meal card, which features a 10% savings on all purchases at both the café and snack bar!

• **“Going Green”** – The café and snack bar have begun using paper plates while working toward eliminating all styrofoam where possible.

• **Vending** – To make it more convenient for everyone to purchase their favorite beverage, “credit card” validators have been added to a couple of the new soda vending machines at the main campus as well as one each at the Arnold and Imperial campuses.

• **Papa John’s Pizza Day** – Due to popular demand, the café will be bringing back Papa John’s Day.

Hungry? Both the Viking Café and Snack Bar are open to community members as well as students and college employees. Stop by for a delicious meal at an affordable price.

Student Center to Undergo $300K Renovation as Part of “One Stop” Concept

In connection with the college’s long-range strategic plan and key performance indicators regarding student support, the Board of Trustees approved a contract with Brockmiller Construction for $294,800 to renovate the Student Center in order to create a “one stop” location for enrollment, financial aid, advising, and payment, while better complying with federal and institutional privacy laws.

The Strategic Planning Committee approved the project as a capital expense for fiscal year 2014. Construction for the project will begin immediately. When the renovation is complete, the first floor of the Student Center will provide a more favorable first impression for prospective students, with enrollment services provided in a more efficient manner.

Fall Classes and Teaching Assignments Presented

With the start of a new academic semester, the Trustees approved a list of tentative college credit teaching assignments contingent on sufficient enrollment in each class. Final approval will be sought after enrollments have been determined.

Instructional Equipment Benefits Students in Science Classes

In connection with identified institutional strategic needs, the Board approved the purchase of 22 Leica binocular microscopes from North Central Instruments for $38,500 to be used by students in Biology, Nursing, Veterinary Technology, and Respiratory Therapy. The Strategic Planning Committee approved the project as a capital expense for fiscal year 2014.

Personnel Actions Approved

Taking steps to fill the remaining faculty vacancy in the Nursing program, the Trustees approved the appointment of Kathleen Harris as a level II instructor for the 2013-14 academic year.

Additionally, in conjunction with their decision last month to establish a campus police department, Diane Scanga, Director of the college’s Public Safety programs, was approved for a supplemental contract to incorporate her duties as Police Chief through June 30, 2014.

Annual BAT-FAT Agreement Sanctioned

The annual meet-and-confer process involving the Faculty Association Team (FAT) and the Board Administration Team (BAT) resulted in a compromise agreement that was approved by the Trustees.

Athletic Transportation Contract Awarded for 2013-14

To prepare for the upcoming year of collegiate athletics, the Trustees approved a contract with Huskey Trailways, the low bidder, to provide transportation for the college’s five athletic teams throughout 2013-14.

Future Meetings

The Board of Trustees meets in public session on the second Thursday after the first Monday of each month. Remaining meeting dates/times for 2013 are:

- September 12 – 5:30 p.m.,
- October 17 – 5:30 p.m.,
- November 14 – 5:30 p.m., and
- December 12 – 5:30 p.m.
