Think about the attractions you like best at a waterpark. Use your ideas to create your own waterpark.

1. Name of your waterpark: ____________________________________________
2. Location of your waterpark (where is it in the world): ____________________
3. Theme of your waterpark: ____________________________________________
4. Design a waterpark logo and slogan.

5. List five rides or attractions that you would have at your waterpark and explain what the safety rules would be for each ride.
