What Does a Lifeguard Need?

Name: ____________________________________________

Directions: Use the “Longfellow’s Safety and Rescue Equipment Information” pages to find out HOW and WHY a Lifeguard would use each of the following, and fill in your answer in the blank space next to the name of each item.

EXAMPLE:

   Why?  To get the attention of someone who is either behaving in an unsafe manner, or to alert others that someone is in need of help.
