Dear Applicant,

Thank you for your interest in the Jefferson College Paramedic Program. The entrance process consists of four sequential steps: application, testing, interviewing, and selection. To be granted consideration in the acceptance process, each candidate must complete the attached application and submit all required documentation (except TB). Documentation must be submitted as one packet. No faxed or electronically delivered application materials will be accepted. The application and required documentation must be returned to the below listed address no later than Friday April 29, 2016.

Jefferson College
Paramedic Application
ATTN: Earl Neal, EMS Program Director
4400 Jeffco Blvd.
Arnold, Missouri 63010

Following your submission of the completed application, each candidate will be invited to sit for a written testing. Your invitation will be in the form of an email no later than May 4th, 2016. The written exam will be administered May 19th, 2016, at 2:00 a.m. at the Imperial location, 4400 Jeffco Blvd., room 101. The written EMT Exam will be based on the current NREMT Standards.

Following successful completion of the written test, you will be notified by email of your results no later than May 23, 2016. Each candidate will be given a specific date and time for a personal interview. The interviews will be held on Tuesday, May 31st, and Wednesday June 1st, 2016, at the Imperial Campus room 101, no exceptions. This should provide adequate time to acquire time off work or other commitments. Please keep your personal and work schedules free for these two dates to assure you have no conflicts with your interview. If you are enrolled in the Anatomy and Physiology for the Healthcare Provider during the Intersession please schedule interviews after the class period.

Jefferson College Paramedic Program is highly competitive and allows only 22 students a year into the program so as to assure quality education of our students. If more candidates successfully complete the process than there are available positions, the applicants will be ranked and chosen in order of points. The remaining applicants will be placed on a waiting list for this year’s program.

Prior to interviewing, all new enrolling students to Jefferson College must take the Writing (W) and Reading components of the COMPASS test. The COMPASS examination may be taken in the Assessment Center, on the Hillsboro Campus or Arnold Campus. The examination, which does not require an appointment, must be taken in the Assessment Center by June 3, 2016.

Thank you again. If you have any questions, please contact Earl Neal at (636) 481-3403.
