In connection with Jefferson College’s mission to provide diverse educational experiences for area residents of all ages, the schedule of events and artists has been announced for the fourth annual Performing Arts and Cultural Enrichment (PACE) series.

The 2015-16 PACE season features nearly 30 professional performances spanning a wide range of entertainment genres including a capella vocal music, comedy, magic, jazz, a live podcast, guest speakers, modern rock, and a BBQ with music by a German polka band.

In addition to the variety of performers and entertainers, the annual PACE series will also include several student-community performances.

**2015-16 PACE Series**

- **September 17** - Vocal Edge, a capella band
- **September 25** - Kent Farnsworth* author “The New Breed of Novelist”
- **October 1** - Improv Shop comedy
- **October 3** - Eduardo Tami Tango Dance Workshop
- **October 8-11** - Fall play “The Brothers Grimm Spectaculathon”
- **October 13** - Band concert* Back With Baroque
- **October 18** - Choir concert* Choral Perspectives
- **October 22** - Jefferson College Faculty Jazz Concert*
- **November 1** - Fall Back Into Jazz featuring the Jefferson College Jazz Ensembles*
- **November 10** - 30 Minutes of Geek* live podcast taping with host Jim Yelton
- **November 21** - Children’s theatre “A Seussified Christmas Carol”
- **December 1** - Band concert* An International Affair
- **December 2-3** - Pottery Sale
- **December 6** - Choir concert* Sounds of the Season
- **December 10** - Jefferson College Community Jazz Project*
- **January 22-23** - Master Illusionist Keith Jozsef
- **February 2** - Bobby Norfolk and Jan Dolan “The Ville and the Hill: Erasing Racism in St. Louis”
- **February 25-28** - Spring play “Taming of the Shrew”
- **March 6** - Choir concert* A Celebration of Song
- **March 8** - Band concert* Fabulous Folksongs
- **March 10** - Spring Jazz Showcase featuring world-renowned trumpeter Sean Jones
- **March 11-13** - 48 Hour Film Festival* (April 1 - Film Festival Screening*)
- **April 12** - Kneebody, modern jazz rock band
- **April 25-May 6** - Student Art Show*

PACE season passes are on sale for $25 per person general admission and $15 for students and senior citizens. Season passes can be purchased at the cashier’s window in the Student Center on the Hillsboro campus. Those who purchase a season pass will save up to $27 compared to single event admission for the entire series.

Individual event advance tickets are also available for $5 general admission, $2 students and senior citizens. All individual advance ticket purchases must be done in person at the cashier's window.

For detailed information about specific PACE performances/times and season pass information, visit the Jefferson College website at www.jeffco.edu/PACE. Additional information about purchasing PACE season passes is also available by calling (636) 481-3123.

Jefferson College Grad Named to All-Missouri Academic Team

Jefferson College graduate Brody Aubry of Imperial (center) was recently honored by the Missouri Community College Association for being selected to the All-Missouri Academic Team, an honor bestowed on the state’s top community college students. Congratulating Brody are Student Leadership Specialist Sara Denny (left) and College President Dr. Raymond Cummiskey (right).

Brody graduated from Jefferson College in May and is a liberal arts major who plans to become a researcher after completing his bachelor’s degree from Truman State University.

He is also a Bronze Scholar Award recipient from the Coca-Cola Scholars Foundation. His selection was based on the score earned in the All-USA Community College Academic Team competition, for which more than 1,700 applications were received this year. Each year the foundation honors the 150 highest-scoring All-USA Team members from around the country by presenting them with gold, silver, or bronze medallions and a stipend. Each student received a scholarship made possible by a donation from MOHELA, the state’s not-for-profit secondary market lender and servicer in the student loan industry.

Accounting Professor Receives Governor’s Award

Jefferson College Accounting Professor Dr. Mary Baricevic (center) recently received the Governor’s Award for Excellence in Teaching. The award was presented by the Missouri Community College Association and is given to the top community college teachers in the state each year. The award included a proclamation from Missouri Governor Jay Nixon.

Congratulating Mary is Math, Science and Business Division Chair Linda Abernathy (left) and College President Dr. Raymond Cummiskey.
Vikings Athletics - Soccer and Volleyball Seasons Ramp Up

Calling all Vikings sports fans…Jefferson College’s volleyball and soccer teams have begun their respective seasons and you’re warmly invited to come join the fun and cheer the teams on to victory as they take on competition from across the Midwest.

For complete schedules, player profiles and statistics for all of Jefferson College’s athletic teams, visit the Jefferson College website at www.jeffco.edu and click on the “Athletics” tab. Go Vikings!

The coaching staff includes Head Coach Ricardo Garza, 1st Assistant Coach Alex Ochoa, Assistant Coach Bob Bartolone, Volunteer Assistant Coach Joe Lange, Goalkeeper Coach Duane Kloepple, and Managers Kanrwea Blamo and Moutada Diop.

Soccer Upcoming Home Schedule 2015-16
Friday, September 18 at 4 p.m. vs. MCC- Maple Woods CC
Sunday, September 20 at 2 p.m. vs. MCC- Blue River CC
Friday, September 25 at 4 p.m. vs. East Central College
Wednesday, September 30 at 4 p.m. vs. Illinois Central College
Sunday, October 4 at 2 p.m. vs. St. Louis CC
Saturday, October 10 at 2 p.m. vs. St. Charles CC

The 2015-2016 volleyball team members are: Victoria Dace, Sydney Savage, Kelsey Russell, Kameryn Bellinger, Rachel Luebbers, Rachel Poole, Hayley Richardson, Sisi Falemeka, Antoinette Fields, Daumante Stepanovaite, Camrey Saye, and Mary Grace Masters.

The coaching staff consists of Head Coach Aida Steiger, Assistant Coach David Owens, and Manager Natalie Poston.

Volleyball Upcoming Home Schedule 2015-2016
Monday, September 14 at 6 p.m. vs. Kaskaskia
Wednesday, September 23 at 6:30 p.m. vs. East Central College
Tuesday, October 6 at 6:30 p.m. vs. Missouri Baptist University (JV)
Wednesday, October 14 at 5 p.m. vs. MSU- West Plains
Wednesday, October 21 at 6:30 p.m. vs. Mineral Area
Friday, October 23 and Saturday October 24 – Halloween Classic Tournament – Time: TBA
Potato Heads Assemble: Unique Simulation Teaches Key Concepts to Nursing Students

The familiar saying that “all work and no play makes life dull” could be used to describe a fun, interactive learning simulation taught recently in the Jefferson College Nursing Program using the popular Potato Head family of toys.

In a scenario following a terrible bus crash involving 11 members of the Potato Head family, EMS arrives at the scene to find body parts scattered all over the road and surrounding area. Luckily, a family member has a photo album with pictures of each person. Students were divided into a series of ER trauma teams and their goal was to accurately assemble as many patients as possible in seven minutes. Based on input from photos and other team members, only two people from each team (implantation specialists) could physically implant the Potato Head body parts. The completed patients were then inspected for accuracy by someone outside their team.

The purpose of the simulation was to teach students in the day and evening/weekend second year Practical Nursing class the concept of lean process management created by the Toyota Production System in which efficiency and quality are equally important. Every step of the process adds value and eliminates waste. Each member of the team is valued for their contributions to the process and for their ideas for improving the system and insuring safety.

The simulation results started out with only a few Potato Heads getting correctly assembled, but by the end of the exercise, teams were assembling all 11 potato heads with less than two errors.

Taught by Assistant Nursing Professors Holly Boettcher and Barbara Lodge, and Clinical Coordinator Kathleen Martin, the simulation was a unique way to demonstrate quality improvement concepts, patient safety and medical errors, lean process management, and teamwork and communication.

The College’s longstanding Nursing program focuses on relevant, industry-focused curriculum; tremendous clinical practicum experiences at sites throughout the region; state-of-the-art patient simulation labs; and individualized academic and personal support services. The program also offers flexible advancement from PN to RN to BSN thanks to Jefferson College’s educational partnership with Central Methodist University.

Both of the Level I/PN and Level II/RN programs have full approval from the Missouri State Board of Nursing (MSBN). For more information about the Jefferson College Nursing program and admission requirements, visit www.jeffco.edu/nursing.
August Report

Board to Begin Using Electronic Agendas/Meeting Materials

Last spring, the Board expressed interest in reducing paper consumption and minimizing costs in the production of their monthly meeting materials. After conducting initial research, identifying products to consider and viewing a demonstration, the Board has agreed to move to an electronic delivery method using BoardDocs software. The new system will be in place within the next few months.

Law Enforcement Academy to Receive Firearms Training Simulator

As part of the annual capital project process led by the Strategic Planning Committee, the Board approved the purchase of a VirTra Firearms Testing Simulator for the Law Enforcement Academy to replace the existing system that was purchased in 1998 and is experiencing malfunctions.

The 180 degree, three-screen simulator will be a valuable resource for LEA students in evaluating their decision-making ability when faced with lethal and non-lethal situations. It utilizes streaming video scenario content across multiple screens and can immediately be programmed to allow the student to see real-time consequences for good and bad decisions.

The system will also benefit current law enforcement officers to meet continuing education hours required by the Missouri Department of Public Safety, POST. It will allow them to train and retain their ability to make sound decisions when faced with a variety of calls for service, traffic stops, and use of force situations along with responding to active shooter and other topical and current event situations.

The new system will be purchased from VirTra for $189,595 using a combination of state Enhancement Grant funds and institutional plant funds.

Emergency Farm Road Reconstruction Slated for Fall

Following the recent storms and flooding in early July that caused significant damage to Farm Road on the Hillsboro campus, making it no longer accessible by emergency vehicles, the Board agreed to waive the formal bidding process for road re-construction and repair of the creek walls along the campus entrance. Waiving the formal bidding process will allow the work to be completed four to six weeks earlier, reducing the College’s liability for potential property damage.

Informal bids will be made to contractors who are qualified to perform this type of work. The recommendations will then be brought to the Board for approval.

ATS Construction Home to Include Energy Efficient Solar Panels

As construction begins on the annual home built by students in the Area Technical School Residential Carpentry program, the Board approved the purchase of a solar panel roof array system from Trademark Building for $14,980. Company owner Dan Kneller is a former student at the College and will donate his labor at an estimated cost of $3,120.

Culinary Arts Post-Secondary Faculty Member Approved

In light of the recently vacated Electronics Technician faculty position (funded by the TAACCCT/MoSTEMWins grant), full-time faculty member Bill Sansagraw has agreed to fulfill the grant-funded position.

As a result, the Board reallocated Perkins resources from Bill’s previous Biomedical Electronics position to the Culinary Arts program for this academic year. Garrett Miller, a current Culinary Arts adjunct faculty member, was subsequently approved for a one-year temporary appointment, saving the College approximately $18,000 from the general fund in adjunct salaries for 2015-16. No institutional funds will be used for the one-year temporary appointment. These changes will be evaluated in the spring of 2016 to determine plans for future academic years.

Water Heaters and Softeners Part of Campus Maintenance

Taking action to replace worn-out water heaters and reduce mineral buildup that is damaging equipment and piping in various buildings on the Hillsboro campus, the Board approved a contract with Mahn Plumbing for $124,050 to install new water heaters and water softeners. The project was approved by the Strategic Planning Committee as part of the capital project process for FY16.

Campus Network Firewall Replacement Approved

To maintain the most secure computing network possible, the Board approved a recommendation to upgrade the institution’s aging firewall to protect all critical network functions and systems for the entire campus. Network Technology Partners was the approved low bidder in the amount of $22,832.85.

Fall Meeting Dates/Times

Upcoming meetings of the Board of Trustees are scheduled for September 17 (5:30 p.m.), October 15 (6:30 p.m.), November 12 (5:30 p.m.), and December 17 (5:30 p.m.) in the Administration building on the Hillsboro campus.
Sheriff’s Department Scholarship Donation to Jefferson College Foundation Aids Law Enforcement Training in Jefferson County

Jefferson County Undersheriff Lt. Col. Steve Meinberg recently presented a $1,000 check to the Jefferson College Foundation in support of the Jefferson County Sheriff’s Department Scholarship. Pictured, from left, is College President Dr. Raymond Cummiskey, Foundation Executive Director Patti Christen, and Meinberg.

Established in 1996, two $500 scholarships are awarded each year to students who are enrolled in the Jefferson College Law Enforcement Academy or are seeking a degree in criminal justice. Recipients must be a resident of Jefferson County, have financial need and be making satisfactory academic progress.

The annual scholarship is one of many ways the Jefferson County Sheriff’s Department and Jefferson College cooperate to serve the community.
The Jefferson College Foundation and Presenting President’s Cup Sponsor Dobbs Tire and Auto Centers invite golfers and businesses throughout the region to participate in the 28th annual Viking Classic Golf Tournament on Monday, September 21, at the exclusive Fox Run Golf Club in Eureka.

Tournament proceeds provide scholarships, emergency loans, assistance with textbook costs, and support of other programs and projects that directly benefit athletes and other students attending Jefferson College.

There’s still time to participate…individual golfer registration is $175 per person ($700 for teams of four) and includes green and cart fees, use of practice range, lunch, beverages/snacks during the tournament, and an awards dinner.

The tournament schedule includes check-in at 10 a.m., practice range and lunch available at 10:30 a.m., shotgun start/four person scramble at noon, and awards dinner at 5:30 p.m. in the Fox Run Clubhouse. Registration via credit/debit card and additional details are available online at www.jeffco.edu by clicking on the Viking Classic Golf Tournament banner or by calling the Jefferson College Foundation at (636) 481-3105.

Can’t play but want to support the Foundation’s efforts to raise funds for deserving students while receiving recognition for your company or business? Hole sponsors are available for only $250. Information about other sponsorship and donation opportunities is available on the Jefferson College website at www.jeffco.edu by clicking on the Viking Classic Golf Tournament banner.

The Jefferson College Foundation is a separately incorporated 501 (c) (3) nonprofit organization whose mission is to increase resources, to raise funds and to cultivate friends and partnerships to support Jefferson College and its mission.
