How to Use the Class Schedule

A list of codes used in the Class Schedule appears below. If you have questions about information on your schedule or for further explanation of these codes, please visit the Student Center Building, Dean or Division Chairs’ Offices, Jefferson College Arnold, Jefferson College Northwest, or Jefferson College Imperial. Staff will be happy to assist you.

Days of the Week are designated:
M-Monday, T-Tuesday, W-Wednesday, R-Thursday, F-Friday, S-Saturday, and U-Sunday.

Abbreviations/Denotations:
P/C = Prerequisite/Corequisite
ARR = Arranged instruction allows for internships and individualized services.

Accelerated Session:
Some classes meet less than the full 16-week semester. Exceptions to the standard semester are listed directly below the course title.

Asterisk (*):
The asterisk identifies important information (i.e., orientation information, weeks that an accelerated class meets, etc.) specific to the course directly above it.

Cancellation of Classes:
Students should be aware that the decision to cancel a class is made based on the enrollment in each class section. Some class sections may be cancelled if enrollment is low. Every effort will be made to notify students in cancelled classes by letter, or, if time is short, by phone. A notice will also be posted at the scheduled class site.

Prerequisites/Corequisites:
A prerequisite is a requirement or other condition that must be met prior to entering a course. It is the responsibility of each student registering for classes to make sure the prerequisite has been met. Courses with a prerequisite list the letter P in the P/C column. A corequisite is a requirement or other condition that must be met in the same term for which a course is being registered. Courses with a corequisite list the letter C in the P/C column. Failure to meet a prerequisite or corequisite is not grounds for a refund.

If you would like more information about prerequisites and/or corequisites, please see the Jefferson College Catalog or contact the Admissions & Student Records Office, Dean or Division Chairs’ Offices, or your advisor at (636) 481-3000 or 797-3000.

Evening Classes:
Classes beginning at 4:00 p.m. or later are classified as evening classes, and weather cancellations are affected accordingly. The decision to cancel evening classes because of weather will be made as early as possible and no later than 4:00 p.m. when possible. If such a decision is made, all classes are cancelled in all locations. If Jefferson College is open for evening classes, then all classes will meet in all locations.

Guidelines for Registration

Welcome to Jefferson College! To help you complete the registration process, here are a few frequently asked questions.

1. What is my registration category?
   Category I: Currently enrolled degree-seeking students with 45 or more cumulative credit hours and currently enrolled certificate-seeking students with 15 or more cumulative credit hours. Students who plan to graduate must complete an application for graduation by April 12. Students may apply for graduation either in person or by printing the online application (available by link under the Academic Services tab in STARS) and submitting by fax or mail.
   Category II: All currently enrolled students regardless of their number of completed credit hours.
   Category III: All other students – new, returning, or transfer students, or students who did not register during the priority registration periods.

2. How/Where can I register?
   You can register any of the following ways:
   • Online through STARS
   • In person at any registration site:
     - Admissions & Student Records Office, Student Center
     - Arts & Sciences 110
     - Career & Technical Education 101
     - Jefferson College-Arnold
     - Jefferson College-Imperial
     - Jefferson College-Northwest
   • By Phone (for six credit hours or less*)
     *Initial registration only – drop/add must be done in person or through the Student tab in STARS.

Returning students who have not attended for one or more years will need to update their files. If registering online, an electronic application available at www.jeffco.edu must be submitted before registration can occur. You must provide a valid e-mail address when you apply online.

New Students: It is important that students new to the college experience complete the following steps:
1) Complete an Application for Admission in the Office of Admissions & Student Records at the Hillsboro campus, or the Arnold, Imperial, or Northwest locations, or online at www.jeffco.edu. There is a one-time $25 application fee. Upon acceptance, students receive additional enrollment information.
2) Complete the registration process which consists of meeting with an academic advisor to complete the Advisor Checklist, which provides essential information to get new students off to a good start. Call for an appointment: (636) 481-3209 or (636) 797-3000, ext. 3209.
3) All degree or certificate-seeking students are required to complete the First Year Experience requirement during their first semester at Jefferson College. Students must enroll in and successfully complete COL100 Freshman Seminar, COL101, Introduction to College: Strategies for Success, or GUD136, Mastering the College Experience, to fulfill this requirement.
4) New students may also want to get a College ID (bring photo ID), purchase a parking pass, purchase textbooks, and apply for financial aid.

Transfer Students: Complete an Application for Admission in the Office of Admissions & Student Records at the Hillsboro campus, or the Arnold, Imperial, or Northwest locations, or online at www.jeffco.edu. If you apply online, you must pay the $25 application fee and complete the acceptance process before you may register online. Be aware. It may take at least five business days to complete the acceptance process. You must provide a valid e-mail address when you apply online.

As a new transfer student, you may be required to complete the First Year Experience requirement (COL100, COL101, or GUD136). Transfer students with equivalent courses, as determined by the Director of Admissions and Student Records, do not have to enroll in COL100, COL101, or GUD136. Also, transfer students with 15 or more credit hours and a GPA of 2.0 or better do not have to enroll in COL100, COL101, or GUD136. Transfer students who already possess one or more college degrees do not have to enroll in COL100, COL101, or GUD136.
The Missouri Community College Association (MCCA) has followed the Department of Higher Education’s guidelines in establishing college readiness standards for students entering community colleges. Students who do not have an ACT reading score or have a score below 18 are required to take the COMPASS reading placement test, which determines competency in reading, a COMPASS reading score of 81. Students not meeting readiness standards for admission into certain courses or programs may be enrolled in developmental courses to help them qualify.

3. What should I talk about with my advisor?
You should discuss completion of your general education requirements and your Associate Degree/Certificate plan, location of support services on campus, clarification of graduation date, alternate courses if your selections are filled, necessary approval of honors courses or heavy academic loads, and/or waitlist options.

4. What should I do if I have a registration hold?
A hold is usually the result of a financial obligation to the College. An unpaid parking ticket, an overdue book, and/or an unpaid account balance are common reasons for a hold. After clearing your obligation, the hold is removed and you may then register for classes.

5. How do I get on a waitlist for a class that has closed?
To participate in the waitlist process, the following conditions must be met:
1. The waitlist class time must be open on the student’s schedule.
2. The student may not be enrolled in the same class at another time.
3. For a day class, all remaining day sections must be filled.
4. For an evening class, all remaining evening sections must be filled regardless of location.
5. No waitlists will be initiated for online courses.
6. Other policies may apply.

Students not meeting these criteria may be removed from the waitlist. Class openings are offered on a first-come basis. An individual student’s priority is determined from the date he/she was placed on the waitlist. Students attending classes based on waitlist status have no assurance of enrollment in those classes. Additions to a waitlist may be made at any enrollment site.

Waitlisted students who are moved onto active class rosters at least one week before the start of the semester will be notified by letter and will receive a revised class schedule from the Admissions & Student Records Office. Waitlist changes after the start of the semester must be authorized by the instructor using an electronic instructor override, the Schedule Change form, or a Waitlist letter provided by the Admissions & Student Records Office. Adjustments made on Schedule Change forms or Waitlist letters must be returned to any registration site to complete the add process. Students are responsible for reviewing their schedules and making necessary adjustments to ensure that they are enrolled in the correct number of credit hours. *Waitlisted courses do not count toward full-time enrollment for Financial Aid, Veterans’ Benefits, or other circumstances where full-time enrollment may be required.*

6. What if I wish to change my major or personal information?
Update your registration form by correcting the information that needs to be changed, including address and telephone. To change your major, visit the Dean or Division Chairs’ Office that oversees your new major area of study, or visit the Advising and Retention Center in the Student Center Building to complete a Change of Major/Advisor form. Personal information such as address, telephone, and security question may also be updated online through Banner Self-Service on the Student tab in STARS. You may also print and mail a personal information update form available on the Academic Services tab in STARS. To inquire about resident status or name changes, contact the Admissions & Student Records Office, Student Center Building.

7. Where may I get another copy of my schedule?
If you need another copy of your schedule, you may print one anytime through the Student tab in STARS or request a copy at any registration site. Be certain to bring photo identification.

8. Where do I pay my bill?
When a student registers, he/she has three options for payment: 1) Pay in full by the published deadlines; 2) Have pending or approved financial aid; 3) Enroll in a tuition payment plan. One of these three options must be in place by the deadlines published at www.jeffco.edu or on the Payment Plan Schedule to secure enrollment. A student will be DROPPED FOR NONPAYMENT if he/she has not paid in full, does not have approved financial aid, or has not enrolled in a tuition payment plan by the published deadlines.
Payment for tuition and fees may be made by the following options:

1. You may pay in person at the Cashier window in the Student Center on the Hillsboro campus or at the Registration counter at the Arnold, Imperial, or Northwest locations.

2. You may pay by mail using check or credit card. Be certain to include the student’s name, student number, and credit card information. Please mail payments to Jefferson College, Attn: Cashier Office, 1000 Viking Drive, Hillsboro, MO 63050.

3. You may also pay online with a credit card or electronic check through the Student tab in STARS.

You may pay your fees in any of the following ways:

1. Pay fees in full when you enroll.
2. Enroll in a tuition payment plan.
3. A third party may pay your fees upon written authorization to the Cashier. (If the third party will not pay prior to course completion, the student is required to pay tuition and fees up front.)

Financial Obligations and Refund Eligibility

Students owe tuition to the College when they register. Jefferson College’s refund policy is designed to allow students the opportunity to attend a class for the first 12.5% of the semester (10 business days for a normal 16-week semester). If they elect to drop during that time period, they will then receive a full refund.

A student’s account is cleared ONLY when the student officially drops or pays his/her bill within the trial period. **Failure to attend class does NOT constitute an official withdrawal.** A refund check for any credit balances will be mailed at the end of the refund period for the term.

Refer to the ‘Important Dates’ portion of this schedule for refund deadlines. Dates may also be reviewed online through the “Class Schedule” link. **No refunds will be granted for drops after the published deadline.**

Students may drop or withdraw online through the Student tab in STARS. Official Schedule Change forms are available upon request from the Admissions & Student Records Office at (636) 481-3206 or (636) 797-3000, ext. 3206, or in the offices at Jefferson College-Arnold, Jefferson College-Imperial, or Jefferson College-Northwest or online under the Academic Services tab in STARS.

Students who are not planning to attend Jefferson College must drop their courses within the refund period to eliminate their financial obligation to the College. Students with a balance due to the College who withdraw after the refund period are obligated to complete their payment in order to receive official transcripts, as well as to re-enroll in the future. In addition, any unpaid balance due to the College will be subject to collection action.

Financial Assistance

Please allow 4-6 weeks to complete the financial aid application process. **Financial aid must be approved to obtain a book voucher.**

Jefferson College participates in many types of federal student financial aid programs. The goal of the College’s financial aid program is to help individuals secure financial assistance in order to enter and continue in college. The primary responsibility for meeting college costs is that of the student and the family; however, a student in need of financial assistance is encouraged to contact the Office of Student Financial Services (636) 481-3212 or (636) 797-3000, ext. 3212.

Students who wish to be considered for financial assistance must apply for admission to Jefferson College and submit a Free Application for Federal Student Aid (FAFSA) indicating that Jefferson College is to receive the report. **The Jefferson College Title IV School Code is 002468.** Applications are available online at www.fafsa.gov.

Financial assistance to attend Jefferson College is available through scholarships, grants, loans, and part-time employment. A number of scholarships sponsored by area civic clubs, businesses, and individuals are available for qualified students. There are annual deadlines established that indicate when scholarships are generally awarded by the College.

For more detailed information about the financial aid programs offered at Jefferson College, contact the Office of Student Financial Services located in the Student Center on the Hillsboro campus.

Return of Title IV Funds

Students who have been paid federal financial aid funds are required to earn these funds by attending classes through at least 60% of the period of enrollment. **Students who quit attending or withdraw from all courses prior to the 60% point in the semester, but have already received their federal financial aid disbursement for the semester, may have been overpaid.** If an overpayment occurs, the student is required to repay a portion of the funds to the school and to the U.S. Department of Education. This Overpayment Policy, established by the U.S. Department of Education, affects students who have received assistance through the following federal financial aid programs:

- Parent (PLUS) Loans
- Pell Grant
- Stafford Subsidized and Unsubsidized Loans
- Supplemental Educational Opportunity Grant (SEOG)
How is the overpayment amount determined?

The repayment amount for an overpayment is based upon the number of days in the semester the student has completed and the student’s last date of an academically related activity. The more days the student has been in attendance and actively participating in classes, the less the overpayment. A federally mandated formula is used to calculate the amount of the overpayment.

When determining a last date of attendance and calculating the portion of funds earned by the student, the institution must always use the student’s last date of an academically-related activity as indicated in official attendance records of the College and reported by faculty. In addition, a documented last date of attendance based on an academically-related activity must also be used to determine the portion of aid earned by those students who officially withdraw from courses. **Unless the student withdraws from courses on the same day as the student’s last academic activity in his/her coursework, the withdrawal date listed on the student’s withdrawal form will not be used as the student’s last date of attendance.**

Federal regulations require that students earn their financial aid funds by attending and actively participating in courses. Attendance information is collected from faculty to verify financial aid eligibility. If a student fails to begin attendance in a course, the institution is required to reduce the student’s financial aid enrollment level and eligibility. If a student is not attending classes, the student is expected to complete the official withdrawal process of the College. If a student enrolls, does not attend, and does not officially withdraw from classes; the student will be responsible for a 100% overpayment of any federal aid disbursements received.

This policy only applies to students who withdraw from all classes prior to the 60% point of the semester and to students who fail all their classes and cease attendance prior to the 60% point of the semester. **This policy does not apply to a student who has withdrawn from selected courses.**

For more detailed information regarding the Return of Title IV Funds, contact the Jefferson College Office of Student Financial Services at (636) 481-3212 or 797-3000, ext. 3212.

**Important Notice**

Financial aid awards count as an anticipated payment. **If you are not planning to attend the College, you must officially drop from your courses.** If you do not drop, your courses will be held, and financial aid will be applied to your account to pay for the courses, resulting in an eventual overpayment.
