Scholarship awards are made by the Jefferson College Scholarship Committee and in some instances, the scholarship sponsors. Awards vary in value and criteria and are made according to donor guidelines. Scholarship recipients must have a satisfactory citizenship record. The following criteria are used to select scholarship recipients:

- Academic achievement (i.e. high school class rank, ACT)
- Financial need*
- Applicant essay/educational goal statement
- Extenuating circumstances
- Extracurricular/community involvement
- Identified program of study
- Recommendation by a high school counselor, principal, or teacher

* To be considered for a need-based scholarship, you must submit a 2013-2014 Free Application for Federal Student Aid. Available online at www.fafsa.gov or for more information contact your high school counselor or Jefferson College Student Financial Services. (For the state aid deadline, the FAFSA Application should be received and processed by the processing center no later than April 1, 2013.)

Scholarship awards are made throughout the entire year. The 2013-2014 scholarship application will be used to consider students for scholarship awards covering fall 2013, and spring and summer 2014. If awarded renewable scholarship, please be aware that scholarships will not cover the summer after your second year. You will receive an award letter from the College if you are selected to receive a scholarship. Letters are not sent to students who have not been selected to receive a scholarship.
